Paramount's Focus in 2015: Connecting Qualified Crews with Global Air Operators

- Using the momentum from 2014, Paramount will continue to focus on organically growing the Procurement and Ferry & Flight Support Divisions.
- By providing pilots access to some of the best contracts in the world, Paramount is projecting growth in its Procurement Division.
- The 2014 success Paramount experienced in its Ferry & Flight Support Division is evidence that the leadership and expertise in the division are unparalleled.
 - In 2014, Paramount ferried more aircraft than ever before, an increase of 50 percent from 2013
- In 2015, Paramount is expecting to bring on addition flight support customers and retain its current clients with its flexible, affordable and reliable service.
